

Highmoor Memorial Hall Annual Report 2023-24 24-09-28

This report covers the period from Sept 2023 to Aug 31st 2024.

Highmoor Nursery School makes use of the hall for most of the time while the Parish Council continues to hold meetings in the hall, but we have no other occasional users apart from the village quiz team.

We ended the year with a balance of £12541.47 very slightly up from £ 12325.60 at the start of the year.

During the year we have had a new oven fitted in the kitchen. A new water heater has been fitted, as the old one was leaking. We continue to monitor our use of electricity carefully.

Re the defibrillator, Debbie Warren-Price will review its status in the future.

We will still be looking into the possibility of using some form of solar power, though maybe just for water. We will need to repair the flat roofing soon, as it has occasionally leaked in extreme weather, and we will need to look into the rainwater drainage as well.

We continue with a committee of three, which has allowed us to make decisions quickly over times when we can't actually get together.

Support from the Parish Council is always very welcome and useful.

Richard Stacpoole Chair
